

**K Srinath Reddy**, Professor, as President of the Public Health Foundation of India, is playing a major role in strengthening training, research and policy development in the area of Public Health in India. Formerly head of the Department of Cardiology at the All India Institute of Medical Sciences, Prof. Reddy is a global leader in preventive cardiology. Since 2009 he is the first Bernard Lown Visiting Professor of Cardiovascular Health at the Harvard School of Public Health. He is also an Adjunct Professor of the Rollins School of Public Health, Emory University and Honorary Professor of Medicine at the University of Sydney. He is a Foreign Associate Member of the US National Academies (Institute of Medicine) and a Fellow of the London School of Hygiene and Tropical Medicine. He has worked to promote cardiovascular health, tobacco control, chronic disease prevention and healthy living across the lifespan.

Prof. Reddy has served on many WHO expert panels and chaired the Science and Policy Initiatives Committee of the World Heart Federation. He has been unanimously elected as President, World Heart Federation (2013-14). He is presently chairing the High Level Expert Group constituted by the Government of India for developing a framework for Universal Health Coverage in India. Professor Reddy chairs the Core Advisory Group on Health and Human Rights for the National Human Rights Commission of India and is also a member of the National Science and Engineering Research Board of Government of India.

His contributions to public health have been recognized through several awards and honours. They include: WHO Director General's Award for Outstanding Global Leadership in Tobacco Control (World Health Assembly, 2003), Padma Bhushan (Presidential Honour, India, 2005), Queen Elizabeth Medal (Royal Society for Health Promotion, UK, 2005), Luther Terry Medal for Leadership in Tobacco Control (American Cancer Society, 2009), Cutter Lecture (Harvard, 2006), Koplan Lecture (CDC, 2008), Gopalan Oration (2009), Ramalingaswami Oration (2010), Paul Dudley White Lecture (AHA, 2010), Sheth Lecture (Emory, 2012), Philip Poole Wilson Memorial Oration (UKIERI, 2012), Doctor of Science (Honoris Causa) by University of Aberdeen, Scotland (2011), Dr. NTR Medical University (2011) and University of Lausanne, Switzerland (2012).
