

Allvin, Thomas

European Federation of Pharmaceutical Industries and Associations

Thomas Allvin is Executive Director for Strategy and Healthcare Systems at the European Federation of Pharmaceutical Industries and Associations (EFPIA), where his responsibilities include overall strategic coordination and leading EFPIA's work on health systems policies, including value-based healthcare and strengthening health system resilience. Thomas is also co-chair of the European Alliance for Value in Health, of which EFPIA is a partner. Before joining EFPIA in 2015, Thomas was Health Counsellor at the Permanent Representation of Sweden to the European Union, representing Sweden in the Council working parties for public health and pharmaceuticals & medical devices, and previously worked in several positions in the Swedish Ministry of Health and the Swedish Parliament.
