Athanasakis, Kostas
NSPH Athens

Dr Kostas Athanasakis, a health economist by training, is a Research Fellow at the Department of Health Economics of the National School of Public Health (NSPH, Athens, Greece) and a visiting lecturer at the Open University of Cyprus (OUC, Nicosia, Cyprus). Kostas focuses his research and teaching efforts in the fields of Economic Evaluation of Pharmaceuticals, Health Technology Assessment and Pharmaceutical Policy, having published over 150 papers and abstracts, as well as 8 books, during the last years. Kostas is currently the President of the Hellenic Association for Pharmacoeconomics and has, also, served twice as the Co-Chairman of the Research Review Committee of the Annual European Congress of the International Society for Pharmacoeconomics and Outcomes Research (ISPOR).
