Bardram, Elina
European Commission's Directorate-General for Climate Action

Ms. Elina Bardram was appointed Director for “Adaptation & Resilience, Communication, and Civil Society Relations” at the European Commission's Directorate-General for Climate Action in October 2022. She joined DG CLIMA in 2010 and has held different senior and middle management functions in the area of international relations, including as Head of the EU Delegation to the UNFCCC negotiations between 2014-2018. Between 2003-2010, Ms. Bardram worked in the Strategy Directorate of the External Relations Directorate-General. She holds a Ph.D. in Economics from the Vienna University of Economics and Business. Her academic work has focused on the impacts of globalisation.
