

Bemelmans, Mariëlle

Wemos

Since 2000, Mariëlle has been working in global health, primarily holding coordinating positions at Médecins Sans Frontières (MSF) in different countries in Africa. She was for 4 years responsible for HIV programmes in Malawi and for 4 years in Sudan, with shorter periods in Zimbabwe, Uganda, Kenya and South Africa. After her country experience, she worked in health policy analysis and advocacy at MSF head office in Brussels. Mariëlle started as executive director at Wemos in 2017. She obtained her master's degree in Public Health at the Liverpool School of Tropical Medicine and completed a PhD on human resources for health and health systems at VU in Amsterdam in 2016.
