

Bonefeld-Dahl, Cecilia
DIGITALEUROPE

Cecilia Bonefeld-Dahl is Director General of DIGITALEUROPE, the association for the digital technology industry in Europe, representing more than 35.000 digital companies. She sits in the Commission's High-Level Expert Group on AI and is a member of the Governing Board of the Digital Skills and Jobs Coalition.

Formerly, she was Executive Board member of the Danish Royal Export Ministry and Chairman of the Export Grant Committee. She also served as Executive Board member in DIGITALEUROPE, and as member of the association's high level Digital Advisory Council.

Ms Bonefeld-Dahl has served as board member of the Danish Chamber of Commerce and Chairman of the Board of the Danish ICT association (ITB) where she has developed policy positions on Digitalisation of Business, ICT security, disruptive business models, telecoms and education.

Cecilia Bonefeld-Dahl has more than 20 years of experience in the ICT industry. She previously held international positions for IBM and Oracle as well as with SMEs building business across Europe and China, and founded the cloud provider GlobeIT. She has deep insight into the digitalisation of business and society and data driven economy.
