

Calabro, Michele

European Patient's Forum

Michele is Policy Adviser at the European Patients' Forum where he leads the Forum's activities on digital health policy and support advocacy activities on a number of other key topics. As EPF PA he also co-lead the activities of the EU4Health Civil Society Alliance (www.eu4health.eu) and coordinate EPF's engagement with multi-stakeholder initiatives and with the European Parliament.

Before EPF, he worked at the European Health Management Association as Policy and Communications Manager, where he coordinated policy and communication activities and EU funded projects work, such as with TO-REACH (health systems research) and IC-Health (digital health literacy).

Michele is also part of several youth health policy networks, including the Young Forum Gastein (2018, 2019, 2020 and currently active member of the YFG Task Force), the Young Coalition for Prevention and Vaccination and the European Health Parliament Alumni group.
