Calvert, Emma
European Consumer Organisation (BEUC)

Emma Calvert is a Senior Food Policy Officer at the European Consumer Organisation (BEUC) in Brussels. BEUC defends the interests of European consumers and represents 44 independent consumer organisations across 31 countries. Emma works on nutritional policy and in particular; nutritional labelling, marketing restrictions of foods high in fat, salt and sugar to children and reformulation. She also works on sustainability labelling. She previously worked at the European Parliament for six years for MEPs on the Environment, Food Safety and Public Health committee.
