Cardone, Antonella
Cancer Patients Europe

Antonella Cardone is the CEO of Cancer Patients Europe, a pan-European all-cancer patient association. She's a Patient Advocacy Expert and Advisor to the Board of Pancreatic Cancer Europe (PCE), uniting physicians, patients, politicians, journalists, academia, and industry, and she is a member of Inspire2Live. Antonella led the European Cancer Patient Coalition (ECPC) and served as Executive Director of the Fit for Work Global Alliance. With 25 years of nonprofit experience in health, social, and employment sectors, she also directed the Global Smoke-free Partnership of the American Cancer Society. Antonella holds Master's degrees in Science and Business Administration. She has been on the Boards of All.Can and Pancreatic Cancer Europe, where she was vice-chair.
