

Cardone, Antonella

European Cancer Patient Coalition

Antonella Cardone is the Director of the European Cancer Patient Coalition, which is the largest cancer patient umbrella organization in Europe with over 450 members from 46 countries. She has over twenty years of international activity in health, social and employment sectors. Prior to ECPC, Antonella was the Executive Director of the Fit for Work Global Alliance, a multi-stakeholder coalition championing change in health and work policy. She was previously Director of the Global Smokefree Partnership of the American Cancer Society, leading a movement of over 100 members to coordinate the development of smokefree laws in 40 countries. She holds a Master's in Science and one in Business Administration. She currently represents ECPC on the Board of Pancreatic Cancer Europe.
