

Cylus, Jonathan

London School of Economics and Political Science

Dr. Jonathan Cylus is an Economist and the Coordinator of the London Hubs of the European Observatory on Health Systems and Policies, based at both the London School of Economics and London School of Hygiene and Tropical Medicine. His main research is on health systems, focusing primarily on health financing policy, health economics and health system performance. He has worked on these topics in support of a number of countries, as well as with the European Commission, OECD and WHO. Prior to joining the Observatory, Jon was an economist at the Centers for Medicare and Medicaid Services (CMS) in the United States.
