Da Rold, Allesandro
EU40

Alessandro runs EU40 - The Network of Young Members of the European Parliament, where he is the Managing Director since 2019. He has experience in policy, advocacy and European affairs, having worked for a Joint Undertaking of the European Commission focused on hydrogen for a sustainable future. Alessandro holds a Master's degree in Diplomatic Studies from the University of Economics of Prague, with a minor specialization carried out at the North Carolina State University in the United States. He is passionate about international politics, technology and youth rights. He worked as coordinator in-loco in different voluntary missions in India, Thailand and South Africa and is currently the representative of the EU at the G20 Youth Engagement Group.
