Darkin, Elly
Alexion, AstraZeneca Rare Disease

Elly Darkin is Senior Director, Corporate Affairs, Europe and Canada, at Alexion, AstraZeneca Rare Disease. In this role, she works at the intersection of health policy, stakeholder engagement and communications, helping to advance dialogue on issues affecting people living with rare disease across the region.

Elly formerly worked in the UK government on health and trade policy. She previously worked at the British Embassy of Colombia, where she oversaw the continuity of trading relations and market access conditions for the UK life sciences sector in the Andean region. Elly is also an active member of the EU Orphan Drug Expert Group.
