

Brasso Sørensen, Ditte

Think Tank EUROPA

Ditte Brasso Sørensen is Deputy Director and Senior Analyst at Think Tank EUROPA, an independent Danish think tank dedicated to European affairs. She specialises in EU politics, industrial policy - from pharmaceuticals to clean tech. Ditte leads major research initiatives on the future of European governance and regularly advises policymakers, businesses, foundations, and civil society on the political direction of the European Union. She holds a PhD in Political Science from the University of Copenhagen, with research focusing on democracy in the European Union.
