

Drees, Simon

European Commission Directorate-General for Structural Reform Support

Simon Drees is a Policy Officer and currently also acting Head of Sector for Health Reforms in the unit “Labour market, Education, Health & Social Services” within the Directorate-General for Structural Reform Support of the European Commission. In this position, he is responsible for designing, implementing, and monitoring technical support projects in European Union Member States, in particular in the field of health policies.

He previously worked in DGs SANTE, RTD and ECHO within the European Commission, including on Health System Performance Assessment, the Horizon Europe Mission on Cancer as well as humanitarian aid health policy. Simon is a medical doctor (Charité – Universitätsmedizin Berlin) and holds an MSc in Health Policy, Planning and Financing (LSE/LSHTM).
