

**Eichwalder, Stefan**

Austrian Federal Ministry of Social Affairs, Health, Care and Consumer Protection

Stefan Eichwalder is working as head of department for DRG and health economics in the Austrian Federal Ministry of Social Affairs, Health, Care and Consumer Protection. Prior to his current assignment, he was working as an advisor in the Cabinet of a previous Health Minister Dr. Brigitte Zarfl. Before joining the health ministry in 2012 he was working as a researcher in the field of health economics and in the statistics and research branch of the United Nations Industrial Development Organization. His expertise lies in health economics and health policy, which he combines with the experience from his academic work.
