

**Storer Jones, Ffion**

Deutsche Stiftung Weltbevölkerung (DSW)

Ffion Storer Jones is a Senior Advocacy Officer in the Brussels Office of the global health NGO Deutsche Stiftung Weltbevölkerung (DSW). She holds a BSc in Medical Physiology and has been working on global trade, health and development policies for almost ten years. At DSW, she leads the advocacy efforts at EU level on women's health, with a focus on the role of research and innovation in closing the gender health gap globally.
