

Gallagher, Katie

EPF

“As Policy Adviser at The European Patients’ Forum (EPF), Katie is responsible for EPF’s strategy on access to healthcare, developing and implementing activities in the context of EPF’s objective on sustainable healthcare systems for all, including the coordination of the EPF internal Working Group on Universal Access to Healthcare. Katie is also responsible for developing EPF’s policy and advocacy work on non-discrimination in healthcare and employment settings, as well as the inclusion of populations vulnerable to social exclusion, medical devices and nutrition in the management of chronic and long-term conditions.

Katie holds a Bachelor of Science with Honours (BSc Hons) in Biological Sciences (Medical Biology) degree from The University of Edinburgh.

Prior to joining EPF, Katie was responsible for the coordination and development of sports programmes at The British School of Brussels (BSB), worked as Policy Officer for the International Diabetes Federation European Region (IDF Europe) and worked for the Health Threats Unit, of the European Commission.”
