

Giraud, Sylvain

European Commission Directorate-General for Health and Food Safety

Sylvain Giraud is the Head of Unit “Medical products: quality, safety and innovation” in the Directorate General for Health and Food Safety of the European Commission (DG SANTE). The unit is in charge of EU level policy developments on quality, availability and affordability of medicines and supervises important aspects of the implementation of EU legislation, the implementation of the Pharmaceutical Strategy for Europe and the coordination of international cooperation on medicines policy. In previous Head of Unit positions in DG SANTE in the last 10 years Sylvain has been dealing with Health Systems, global health and EU health policy coordination.
