Department of Social and Preventive Medicine, Medical University of Vienna

Specialist Physician in Public Health and Associate Professor, Department of Social and Preventive Medicine, Centre for Public Health, Medical University of Vienna

Igor Grabovac leads an interdisciplinary team of researchers and practitioners and focuses on the health and wellbeing of marginalized, vulnerable or otherwise underserved communities.

He is the coordinator of the Horizon 2020 CANCERLESS project, focusing on primary and secondary cancer prevention in people experiencing homelessness as well as Horizon Europe project CO-CAPTAIN, which focuses on reducing cancer burden through primary prevention in people experiencing mental ill health. Both of the project utilize navigation concepts and participatory co-design as a key to success.
