

Havenith, Danny

Belgische Vereniging van Ziekenhuisdirecteurs (BVZD)/ Association Belge des Directeurs d'Hôpitaux (L'ABDH)

Danny Havenith was born in 1970 in Eupen, Belgium. He graduated as Master of Business Administration in 1992 from the HEC-Hautes Etudes Commerciales in Liège/Belgium. He obtained his diplomas in Controlling (1999 Controller Academy Munich) and Master in Management and Health Policy (2010 KUL Leuven). Working in Company Management for 25 years, he started in the finance, administration and quality management of a logistics company. He is Internal Auditor for Quality Management and he has been licensed as a transport and logistics company. After 8 years of management in printing and press companies, he changed into the health sector. He became CEO of the private St. Nikolaus Hospital for ten years until begin 2018. He is general manager of MercurHosp, the central purchase office of Wallonian Hospitals in Namur / Belgium and independent manager in several companies or spin-offs. He is an active member of the board of the Zentrum für Aus- und Weiterbildung des Mittelstands/ZAWM (a private-public training center for company managers, masters and apprentices - as chairman), of the Belgian Association of Hospital Directors, from HeathTech.Belgium, as congress chairman of the Congress 2019 of European Hospital Managers, as member of the subcommittee of European Affairs of the European Association of Hospital Managers/EAHM, as one of the shareholders of ???-?????-ECO-REMONT (Russian trading company specialized in export of ecological construction materials: isolation, clay plasters and ecopaints as well as their equipment) and Noverim Consulting.
