Petr, Horák
European Association of Hospital Pharmacists (EAHP)

Petr Horák graduated (MSc.) and obtained PharmDr title in pharmaceutical chemistry at the School of Pharmacy of the VFU Brno. He holds the specialisation in both community (2003) and hospital pharmacy (2005). Since his graduation, he has been working in the Hospital Pharmacy of the University Hospital Motol, Prague, in the position a Director of Pharmacy since 2005. Under his leadership, the pharmacy services in the Motol hospital were broadened by, e.g. oncology and clinical pharmacy services. Dr Horák and his team are also involved in pre-graduate and specialisation education and training of pharmacists and medical students. Dr Horák served in 2007-2014 as Head of the Department of Pharmacy at Institute of Postgraduate Medical Education, and he continues there as a senior lecturer. Dr Horák is involved in the activities of the Hospital Pharmacy Section of the Czech Pharmaceutical Society, where he held the position as Vice President (2010-2014) and President (2015-2017) and continues as a Board member. He is currently the President of the European Association of Hospital Pharmacists. He has been Board member of EAHP since 2012, responsible for, i.e. the European Survey of Hospital Pharmacy Project and later serving as Director of Finance. He is author and co-author of several IF publications, numerous peer-reviewed journal publications and co-author of one textbook dedicated to paediatric compounding.
