Ihekweazu, Chikwe
Nigeria Centre for Disease Control

Dr. Chikwe Ihekweazu is the Director General of the Nigeria Centre for Disease Control (NCDC). Dr. Ihekweazu trained as an infectious disease epidemiologist and has over 20 years' experience working in senior public health and leadership positions in several National Public Health Institutes, including the South African National Institute for Communicable Diseases (NICD), the UK's Health Protection Agency, and Germany's Robert Koch Institute (RKI). Dr. Ihekweazu has led several short-term engagements for World Health Organization (WHO), mainly in response to major infectious disease outbreaks around the world including the WHO-China Joint Mission on Coronavirus Disease 2019 (COVID-19). He has recently been appointed as the Assistant Director-General for Health Emergency Intelligence and will lead the inaugural WHO Hub for Pandemic and Epidemic Intelligence in Berlin from November 1st.
