

Ilinca, Stefania

WHO Regional Office for Europe

Dr. Stefania Ilinca is Technical Officer for long-term care with the WHO Regional Office for Europe, a Senior Atlantic Fellow for Equity in Brain Health and a Salzburg Global Seminar fellow. She has extensive experience working at the interface between policy and research, dividing her time between policy advice, technical support, applied research and advocacy efforts. At WHO Europe, her portfolio covers the transformation of long-term care eco-systems, informed by equity, sustainability and demographic change concerns, with particular attention to strengthening care delivery for people with complex needs, supporting integrated care models, promoting quality in long-term care delivery and leveraging digital and social innovations.
