

Joshi, Indra
NHSx

Dr Indra Joshi is the Digital Health and AI Lead for NHSx, overseeing the digital health initiatives within the NHS with a focus on data, digital health standards, evidence and policy for AI. Indra has a unique portfolio with experience stretching across policy, governance, digital health and marketing, national project strategy and implementation; whilst remaining true to her professional training as an emergency medic. She is the Clinical Director of One HealthTech - a network which campaigns for the need and importance of better inclusion of all backgrounds, skillsets and disciplines in health technology. Alongside she is a Vice Chair for the British Computer Society (Health), an international speaker and consultant on digital health, an expedition medic, and most importantly a mum to two wonderful little munchkins.
