Lehtonen, Lasse
The Social Insurance Institution of Finland (Kela)

Lasse Lehtonen (born 1962) took up his position as the Director General of The Social Insurance Institution of Finland (Kela) at the beginning of June 2025. He joined Kela from the HUS Group where he served as the Director of Diagnostic Services while also holding the position of Professor of Public Health at the University of Helsinki. Prior to that, his experience includes various management positions in the Hospital District of Helsinki and Uusimaa and at pharmaceutical company Orion. Lehtonen holds doctorates in both medicine and law. He specialises in clinical pharmacology and pharmacotherapy.
