

**Lopez, Vanessa**

Salud por Derecho

Vanessa López is the co-founder and executive director of Salud por Derecho, a non-profit organization founded in 2003 dedicated to globally defending the right to health based in Spain. She graduated in Social Psychology and received a master's degree in development. Salud por Derecho aims to contribute to build an efficient and sustainable R&D system that ensures quality medicines at an affordable price. Salud por Derecho also leads a multi-stakeholder campaign in Spain called No Es Sano (It's Not Healthy) to cure the medicines innovation model.
