Massay-Kosubek, Zoltan
Health Policy Coherence, European Public Health Alliance

Zoltán Massay-Kosubek is Policy Manager for Health Policy Coherence at the European Public Health Alliance (EPHA), joining the organisation in 2012. Responsible for advocating for the effective implementation of the Health in All Policies legal principle in the EU, and the future of health in the EU post-2020, Zoltán also leads EPHA's work on the political, environmental and social determinants of health in policy areas such as international trade, clean air and health inequalities (with a focus on Roma health and early childhood development). A Hungarian qualified lawyer with a strong commitment to protecting the public interest, he has over 13 years of experience including on international and European affairs at the Ministry for Health of Hungary, as a lawyer-linguist at the European Court of Justice, and as a clerk in national courts. He speaks Hungarian, English, French and German. Zoltán tweets from @EU_ZMK.
