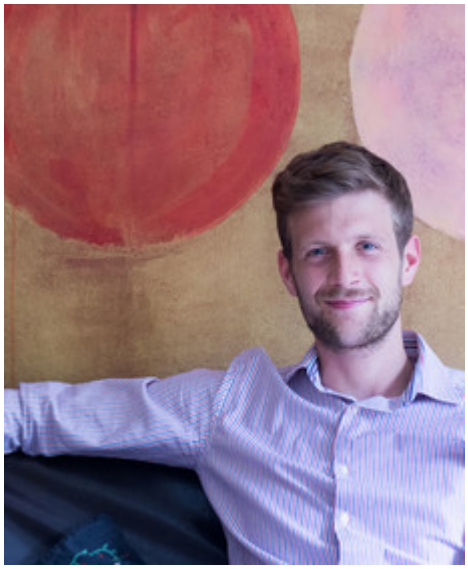
Vinko, Matej
National Institute of Public Health of Slovenia



Matej Vinko is a public health specialist working at the National Institute of Public Health of Slovenia (NIJZ). He is the Deputy Head of the National Mental Health Programme 2018-208 and Head of the Expert Group on Mental Health at the NIJZ. During his residency period he was president of the Association of Public Health Residents of Slovenia and vice-president of European Network of Medical Residents in Public Health.
