

Olsen, Matias

European Confederation of Pharmaceutical Entrepreneurs

Matias Olsen is the Senior Manager, Public Affairs and Policy for the European Confederation of Pharmaceutical Entrepreneurs (EUCOPE). Matias supports EUCOPE on key topics, covering among others, implementation of EU HTA, advanced diagnostics, Real-World Evidence, the Patent Package, Europe's Beating Cancer Plan and relevant market access topics. Matias has previously advocated on behalf of European cancer patients and worked in the Norwegian Social Security Administration, with reimbursement of medical devices and coordination of social security within the EU/EEA.
