

Mendonça, Victor

Medicines for Europe

Victor joined Mylan, a Viatris legacy company, in 2014 as European Policy and Market Access head. At Viatris, Victor is the Head of Corporate Affairs Europe, overseeing Policy, Communications and Market Access departments. He is a Board member and the Chair of Generics Market Access Committee at Medicines for Europe. Formerly, he acted as Head of the Health Economics department at Medicines for Europe, Advisor to the Executive Board of INFARMED for almost 8 years and Advisor to the Health Secretary of State to the Ministry of Health in Portugal. Victor has more than 20 years of experience in pharmaceuticals and FMCG sectors.
