Trumpickaitė, Miglė
European Junior Doctors Association

Dr. Trumpickaitė is a primary care pediatrician and head of a primary care department at a public clinic in Vilnius, Lithuania. Currently serving as Vice-President of the European Junior Doctors Association (EJD), Dr. Trumpickaitė addresses critical issues related to the medical workforce, postgraduate training, quality of care and healthcare digitalization. She has been a dedicated advocate for junior doctors, focusing on psychosocial support, remuneration, equity concerns and fostering a more inclusive healthcare environment.
