Möhler, Markus
University Clinic Mainz

Professor Markus Moehler (MD/PhD) is Head of Gastrointestinal Oncology at the Johannes-Gutenberg-University Clinic, Mainz, Germany. After completing studies at Yeshiva University, New York, USA and Heidelberg University, Germany, he carried out postdoctoral research at the German Cancer Research Center, Heidelberg. Currently, Mr. Moehler is chair of the Gastrointestinal Cancer Study group (GITCG) of the European Organisation for Research and Treatment of Cancer (EORTC), member of the American Society of Clinical Oncology (ASCO), the European Society of Medical Oncology (ESMO), and the German Society of Internal Oncology (AIO), as well as many other German associations. Since more than 20 years, he is principal investigator in many national and international studies on novel targeted and immunotherapeutic agents, most often including translational biomarker research. With numerous research grants, investigator initiated trials and worldwide studies, he published >250 articles, including publications in high ranked journals such as NEJM, Lancet, Nature, JAMA, JCO and others.
