Berriau, Natalie
Citizens' Convention on End of Life

Natalie Berriau has been the general coordinator of the Ascodocpsy network since June 2002. She holds a master's degree in sociology and a DESS in documentation and advanced technologies. In 2022, she was selected by lot to take part in the Citizens' Convention on End of Life (CCEL). She is co-president of the association "les 184", which was created at the end of the CCEL (www.les184.com).
