Onyango, Denis
African Advocacy Foundation

Denis Onyango is the Programmes Director at Africa Advocacy Foundation (AAF). He oversees AAF sexual and reproductive health work in Europe and campaigns to end violence against women and girls e.g. FGM and other harmful cultural practices in the UK. Denis has over 19 years experience of grassroots community health promotion work. He is involved in healthcare policy work at national and international levels. He serves on a number of advisory boards and policy groups e.g. WHO Regional Coordinating Committee on HIV, Hepatitis and TB, NHS England CRG on PrEP , UK HIV Commission etc. He coordinates M-Care, a programme that trains healthcare professionals working with diverse European migrant communities for greater access to HIV, Hepatitis and TB screening, treatment and linkage to care. He is part of “Nobody Left Outside (NLO)” a current European Thematic Network supported by MSD Europe and led by a group of organisations working to improve health service provision for Europe’s most underserved communities, including LGTBI, homeless, migrants, people who inject drugs, sex workers and prisoners. Denis' background is in education, public health and policy and voluntary sector management.
