Sillitti, Paola
University Hospital in Lausanne

Paola Sillitti is a Research Fellow at the University Hospital in Lausanne (CHUV) and a PhD candidate in Social Sciences and Humanities of Health and Healthcare at the University of Lausanne. She holds a Bachelor's degree in Economics and a Master's degree in Economics and Management of Governments and International Organisations, both from Bocconi University. Her current research focuses on inequalities in end-of-life care, and assisted dying. Prior to her doctoral studies, she worked in health policy analysis at the Organisation for Economic Co-operation and Development (OECD), contributing to international work on healthcare systems and policies. Her work at the OECD touched upon several areas, including ageing, long-term care, and end-of-life care.
