

Hollenstein, Pia
KlimaSeniorinnen

Pia completed her training as a nurse in 1972, and continued her education with a diploma in Intensive Care nursing and a diploma in teaching. Pias nursing experience extends beyond Switzerland with a three year volunteer post in Papua New Guinea in 1976. From 2005 to 2007, she completed the postgraduate course "Master of Advanced Studies in Applied Ethics" at the Ethics Centre of the University of Zurich and went on to work as an education officer at Appenzell Hospital and Nursing Home. She completed a further Master's degree in Geriatric Care at the Kalaidos University of Applied Sciences and has been enjoying life as a retiree since autumn 2014.

Pia represented the Green Party in the National Council for 14 years, endeavouring to consistently stand up for an ecological, social, feminist and peaceful future. She then went on to co-found the association KlimaSeniorinnen Schweiz and is a member of its board.
