Pietikäinen, Sirpa

Sirpa Pietikäinen is a former Member of the Finnish Parliament (1983-2003) and a former Minister of Environment of Finland (1991-1995). She has served as a member of the European Parliament since 2008 as a member of the European People's Party (EPP). She is a member of the Committee on Women's Rights and Gender Equality (FEMM), Committee on Economic and Monetary Affairs (ECON) and a substitute in the Committee on Public Health (SANT) and Committee on Environment, Climate and Food Safety ENVI). In her work, she has been actively participating in the EU's equality policies.
