Polton, Dominique
National School of Public Health

Dominique Polton worked in the National Health Insurance Fund for Salaried Workers (CNAM) as Director of Strategy, Research and Statistics, and as an advisor to the Director-General. Before joining the NHI, she was Director of a research centre in health economics and public health, the Institute for Research and Documentation in Health Economics (IRDES). She chairs the National Health Accounts Commission and the Scientific Committee of the National school of public health.
