Rojatz, Daniela
Gesundheit Österreich GmbH

Daniela Rojatz is a Senior Health Expert and Project Lead at Gesundheit Österreich GmbH (GÖG), Austria's National Public Health Institute, and Deputy Head of the WHO Collaborating Centre for Social Participation in Health and Care. Holding a PhD in Sociology, her work focuses on patient and public involvement, social participation, health promotion, and Social Prescribing. She leads national initiatives and strategy development processes aimed at strengthening participation in health and care and supporting the implementation of the WHO Resolution on Social Participation for Universal Health Coverage, Health and Well-being.
