

Sas, Katalin

EU-OSHA

Katalin Sas has been working as a project manager in the Prevention and Research Unit of the European Agency for Safety and Health at Work (EU-OSHA) since 2009. Recently she has been a project manager for the European Parliament pilot project 'Safer and healthier work at any age', focusing on occupational safety and health in the context of an ageing workforce, and the 'Healthy Workplaces for all Ages' Campaign content project manager.

Between 2002 and 2009, before she joined EU-OSHA, she worked for the Finnish Institute of Occupational Health, where she was involved in research and project management of various Occupational Safety and Health related European projects.
