

**Schreck, Stefan**

DG Sante

Stefan Schreck has been Head of unit for health programme and chronic diseases in the European Commission's department for Health and Food Safety (DG SANTE) since February 2016. From 2011 to 2016, he was Head of the unit for health information in DG SANCO (now DG SANTE), dealing mainly with health information policy, and providing the secretariat for the non-food scientific committees of the European Commission. In 2008, he became Head of unit for health in the executive agency for health and consumers (EAHC), which is responsible for implementing the EU health programme. Between 1997 and 2008, Schreck worked in the public health directorate of the European Commission in Luxemburg, in particular in the areas of communicable diseases, health threats, and substances of human origin.
