

Sušelj, Marjan

Health Insurance Group of Slovenia

[General Director, Health Insurance Institute of Slovenia \(Slovenia\)](#)

Marjan Suselj, B.A. Psych., has been the General Director of the Health Insurance Institute of Slovenia (HIIS) since September 2017. Between 2010 and 2017 he managed the HIIS regional unit of Ljubljana. Prior that, Marjan was involved in numerous ICTs and other innovations projects in the health care and health insurance domain. He managed the introduction of the national health Insurance card system and its upgrades towards on-line system. Marjan is one of the founders of the European Health Telematics Association (EHTEL) and has participated in its board of directors for more than 12 years. Marjan represented Slovenia in the Technical Commission responsible for coordination of the social security issues at the EU level.
