**Yared, Wendy**
European Cancer Leagues

Dr Wendy Yared is the Director of the Association of European Cancer Leagues (ECL), a pan-European alliance of national and regional cancer leagues created in 1980. ECL's 29 member leagues provide advice, support and other services in cancer control in 24 countries, to over 489 million European citizens.  ECL's vision is for a **Europe Free of Cancer**. The mission of the European Cancer Leagues is to influence and improve cancer control and cancer care in Europe through collaboration between its members in their fight against cancer, and to influence EU and pan-European policies.  Dr Yared represents ECL in EU Joint Actions on cancer control, and participates in various EU discussions and platforms related to cancer prevention and health promotion.  ECL is co-funded by the European Commission under an operating grant from the Third Health Programme (2014-2020).

Wendy is a Doctor of Public Health (in International Health Systems from Johns Hopkins), and a Master of Public Health (in Health Policy from UC Berkeley, both degrees from the USA).  She has over 25 years' experience in public health and health policy.  She has worked at the World Health Organization; the European Parliament; the United States Public Health Service and in sub-Saharan Africa.
