EUROPEAN
HEALTH FORUM
GASTEIN

Young Forum Gastein Network,

The Young Forum Gastein initiative enables promising young health professionals to become a part of an inspiring network which offers the support of over 550 members working in different positions and sectors all over Europe and beyond. Additionally, Young Forum Gastein offers special opportunities throughout the year to participate in workshops, webinars and conferences. Each spring a number of Young Forum Gastein scholarships are awarded to young professionals working in the field of health. In 2021, 55 scholars were selected to be part of the YFG 2021 cohort.

If you would like to know more about the application criteria, please consult the YFG fact sheet, or get in touch with us. The next call for applications opens in spring 2022.
