Zaidi, Mariam
International News Presenter

Mariam Zaidi is a British broadcaster and news presenter specialising in EU and international news.

For TRT World she presents the news from both London and at their HQ in Istanbul where she steers hours of breaking news on the world's biggest stories.

At CNBC she has fronted an energy series and moderates and MC's at the World Economic Forum in Davos.

Previously at the BBC, ITV, Euronews, CGTN, Euractiv, APTN and AFP she also moderates and MC's for a raft of corporate clients and on the biggest international stages from the WEF to Viva Tech discussing tech, business, trade, sport, health, sustainability, agri-food, security, AI, trade, crypto and more.

She has a Masters in Journalism and an LLB in Law.
