Zhuk, Olena
Zaporizhzhia Regional Council

Olena Zhuk has served as Chairwoman of the Zaporizhzhia Regional Council and is Vice President of the Association of District and Oblast Councils of Ukraine (ADRC), responsible for national health, medical care and insurance.

Her work focuses on strengthening healthcare in a frontline region, ensuring the continuity of essential medical services and developing resilient healthcare infrastructure capable of responding to the challenges of war.

Working closely with regional healthcare institutions, she supports the modernization of medical services, the development of accessible and sustainable healthcare, and the capacity of the regional health system to protect and serve people under the most challenging conditions.
