

SUSTAINABILITY COMMITMENTS

A PLANET POSITIVE EHFG

Travel

- Inviting conference participants / delegates to travel by train. In partnership with the Salzburg regional government, EHFG delegates can book free train journeys between Salzburg and Bad Hofgastein.
- Coordination of shared airport shuttle transfers, where possible.
- Offsetting of unavoidable emissions.

Conference operations

- The EHFG conference site uses 100% renewable energy sources.
- Conference technology to allow online speaker and delegate attendance.
- Eliminating the use of single use plastic is prioritised.
- Recycling facilities are provided on-site including paper, plastics, and cans.
- Digital interfaces used to avoid printing - where unavoidable, eco-labelled paper is used.
- All materials and decorative features used on-site are either recycled, upcycled, and / or biodegradable.

Food, drink, and accommodation

- Conference lunches are vegetarian with vegan options.
- Tap water is provided from on-site dispensers.
- We request food suppliers to source local, seasonal, and organic ingredients.

Community

- Prioritising the employment of local service providers.
- Marginalised and civil society groups proactively included to ensure fair stakeholder representation.
- On-site sustainability officer available for any queries and exchange.
