

# SUSTAINABILITY COMMITMENTS

## Travel

- Encouraging conference participants to travel by train. With the Salzburg Guest Mobility Ticket, EHFG delegates can access free public transport throughout the Salzburg region.
- Coordination of shared airport shuttle transfers for all EHFG participants.

## Conference operations

- Kongress Gastein, one of the EHFG conference venues, is a certified “Green Location” and uses 100% renewable electricity, provided by [E-Werk Bad Hofgastein](#).
- The venue is centrally located, with accommodation and key local amenities within walking distance.
- Conference technology to allow online speaker and delegate attendance.
- Recycling facilities are provided on-site including paper, plastics, and cans.

## Food, drink, and accommodation

- Conference lunches are vegetarian with vegan options.
- Tap water is provided in reusable jugs.
- We request food suppliers to source local, seasonal, and organic ingredients.

## Community

- Prioritising the employment of local service providers.
- Marginalised and civil society groups proactively included to ensure fair stakeholder representation.
- On-site sustainability officer available for any queries and exchange.
