EHFG 2019 : The Disruption Lounge

YOUR INPUT IS NEEDED!

At this year's conference we are hosting a highly visual and interactive exhibition space located at the Kursaal. The exhibition will display real time visualisations of the insights generated in the sessions. The lounge is a vehicle for harvesting collective thinking, inspiring action and forming new connections. The outputs will be digitised and disseminated as part of the post-event outcomes report.

How does it work?

1. The following questions have been designed to help collect and share insights:

NEED FOR DISRUPTION

What are our priority areas for change?
Which uncomfortable questions should we be asking?
Which establishments and practices need to be challenged?

FACES OF DISRUPTION

Who are the past, present and future agents of change?
(consider inspiring people, organisations and initiatives)

DISRUPTING FOR THE FUTURE WE WANT

What actions should we take now to shape our future?
(consider actions on an individual, organisational, national and European level)

2. Please jot down your answers on the postcards in the back cover of your EHFG 2019 programme or email ehfg@thinkvisual.ie.

3. Visit the Disruption Lounge at the Kursaal to drop off your postcards. Meet the graphic artists, Naomi Fein and Becky Hatchett from Think Visual who will be visualising your input and turning them into a unique 3D installation. You will be able to see the installation taking shape throughout the event.

If you have any questions please get in touch with Naomi Fein at +353863743132 or email ehfg@thinkvisual.ie
